Description: I used to have an origami business, but it folded. From the lost ancient art of towel folding (yes, there is one, and it does stem from ancient times) comes the newly revived and hot trend The Lost Art of Towel Origami. Filled with hilarious completed-project photographs and step-by-step instructions and illustrations, this book will provide hours of...

Review: We went on a wretched cruise (rhymes with barnival) to Mexico & the highlight was the weird origami towel animals they left on the beds & towel origami monkeys that hung from the vanity. I think all crew *must* get this in their training kit, because there's just no way you can wing it nor apply standard origami techniques to towels. I sent this book...
